Hi Danielle,
Attached are the updated word and pdf files with Pat's revisions. There were a few that we had changed the responses to and/or I had some comments on so I noted them in Pat's file for you, also attached.
Let me know if you need anything else!
Kim

Hi Kim,

Pat was asked to do one final review of the RTCs to make sure they are clear and consistent. Attached is his review. I'm not sure the best way to merge the two versions, but can you please make his edits to the latest version that you had sent me? Call me if you want to discuss.

This should be it for revisions to the RTCs, but still have to hear from the DASN. Lawrence told managers today it would go out tomorrow or Thursday.

V/r,
